<sup>1</sup> Indicates all apportionments not yet obligated. Includes FY 2005 advanced apportionments.

<sup>2</sup> Reflects balances 2-years old entering 3rd year.

Cycle 6 assumes the use of all previous cycle balances.

Note: The Regional balances reflect activities that have been recorded in Caltran's Local Assistance accounting system. There may be a time delay between the FHWA authorization and the recording of the transaction in the Caltran's Local Assistance accounting system.

Balances are adjusted for projects using the State Advance Construction (AC) process.

<sup>3</sup>San Diego (SANDAG) Project 6211(042) apportionment code - (Q240) \$7,450,000 was processed using the state AC Process. RSTP balances reflect this transaction.

In addition, SANDAG - Project 6211(040) State AC project (Q24) \$2,300,000 using Q240 in 9/30/04 (transfer) was processed. It should have been \$3,300,000. Correction: Reduce H240 by \$1,000,000 (no Q240 available). RSTP balances reflect this transaction.
